§2

When sharing the Work elsewhere, the Author is obligated to include full information about the original place of publication thereof.

§3

The Author undertakes to provide the Publisher with the following (if applicable): instructions for illustrating the Work; a selection of illustrations together with information about their sources; his/her own illustrations; the Author's statement on copyright clearance with third parties and on the permission for this material to be used by the Publisher in the fields of exploitation specified in the CC BY 4.0 licence without separate remuneration and without any restrictions.

§4

Should the Publisher make acceptance of the Work conditional upon specific revisions to be made by the Author, the Author is obliged to respond in writing, within 7 (seven) days from receipt of the Publisher's notification, to the effect whether the Author will revise the Work within the timeframe suggested by the Publisher. Failure to respond within the specified period shall be deemed to mean the Author's consent and acceptance.

§5

The Publisher asserts the right to make necessary changes to the Work, as required by editorial processing.

§6

1. The entire Work should be returned with Author's corrections within 10 (ten) days of the receipt of proofs from the Publisher.
2. Failure to return the corrected Work within the above period will be deemed tantamount to the Author's consent to the Work being published in the form sent for correction.
3. The Author is obliged to cover any costs arising from changes being introduced to the Work after the volume is submitted for printing, provided that he/she is culpable for these changes.

§7

This Agreement is concluded in document form; the conclusion is effected upon ticking the relevant checkbox, which indicates the acceptance of the terms and conditions of this Agreement, and upon submitting the Work to the Publisher through the system available at <https://czasopisma.ispan.pl/index.php/bhs>.
